Member of Marching Band, freshman through senior years

OUTSIDE INTERESTS

Member of the Boy Scouts of America for 7 years
(Achieved eagle scout)
Musician
Language learning (Spanish and Portuguese)

EMPLOYMENT

-Panda Express, Acworth GA, from June 2017 to October 2017
Panda Express taught excellent time management skills, as well as how to work effectively within a small team in a high pace environment. Emphasis was placed on good communication, otherwise everyone got behind.

-Target, Acworth GA, from October 2017 to December 2018
Improved adaptability in learning new areas quickly throughout the store, as well as helping to create a great retail environment through the whole store. Emphasis was placed on working without supervision and still retaining a high level of precision in what was accomplished.

-Pappasito's cantina, Marietta GA from October 2019 to May 2020
Reinforced time management skills and taught me to continue to function under high pressure. It also taught effective food safety skills during hectic nights and worked even further to reinforce cooperative skills. Sharing one party with another server required each of you to split the work accordingly or each of you would fail to provide top notch service.

SKILLS

- Works well in a team setting, whether leading or following directions, and consistently complete work quickly and effectively
- Has excellent communication skills and continue to work towards improving them constantly
- Is very patient, both with learning new skills, and teaching others
- Works well under pressure
- A creative problem solver
- Comfortable learning multiple specialties throughout a workplace to better help my team succeed.
- Has excellent time management
- Is always looking to create a better environment for both employees and clients alike.
